

WEMOTO

Autumn & Winter 2024
Workbook Men

Designed and produced
at Wemoto Studio.

wemotoclothing.com

Our Winter 2024 Men's Fashion Collection is a fusion of classic, timeless menswear aesthetics seamlessly translated into contemporary design, color palettes, and technical features. Inspired by the dynamic spectrum of urban life, this collection effortlessly combines street influences with sophisticated touches.

Each carefully selected color tells a story of the autumnal and winter seasons, capturing the essence of the evolving landscapes and the city's heartbeat. Join us on a journey through style that pays homage to tradition while embracing the modern and the now.

Certified Organic Cotton

Our used organic cotton is grown without the use of harmful pesticides and toxic chemicals. It uses up to 90% less water, 60% less energy and emits 45% less CO₂ compared to conventional cotton.

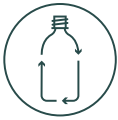

Our organic cotton yarns are certified by GOTS (Global Organic Textile Standard).

PETA Approved Vegan

This product is 100 % vegan. It contains no animal components such as leather, fur or feathers.

Certified by PETA USA.

Recycled Polyester Lining

Our lining fabric is made from recycled post-consumer pet bottles which are processed through grinding, washing, melting and repolymerizing. It uses 58% less energy and emits 30% less Co₂.

Our recycled polyester lining fabric is certified by the GRS (Global Recycled Standard).

LENZINGTM EcoVeroTM LenzingTM EcoVeroTM

LENZINGTM EcoVeroTM fibers are made from certified renewable wood sources in an environmentally conscious manufacturing process that meets high environmental standards.

- Sustainable wood procurement
- Awarded by EU Ecolabel
- Low emissions
- Transparent supply chain
